

Diabetes Committee

Report by: Tom Smarsh, Chairperson

Date Report Sent: 5/19/2021

Due to Covid-19, the messages I have sent to all the Districts Diabetes Chairpersons has been tied to dealing with Diabetes amid this pandemic.

Because of my bid to be the Lions District Governor for 19-B, I am stepping down as the MD19 Diabetes Chairperson. CCE John Moralek and I agreed that with all the responsibilities of a DG it would be best to pass the Diabetes Chairperson responsibilities to someone else. CCE John will announce a new Diabetes Chairperson at a later date.
