

Council of Governors
CARE Report
Patti Easterling MD19 CARE Chairperson

Fundraising this year for CARE has picked up from last year. We are not yet at our goal but Thanks to Peter and Rebecca Anderson and George Sim for coming up with the CARE Fundraiser during our MD19 Convention I believe was a great boost not just financially but also a morale booster.

I have been in contact with Dana Tseng with CARE wondering if we can stay in Haiti for the next 2 years due to the turmoil in this country. She was in agreement that this is an area in great need of our help especially getting girls into or returning to school.

Respectfully submitted
Patti Easterling MD19 CARE Chairperson
