

Evaluation Committee

PDG Brian Ross Chairperson

Feb. 13, 2023

Members of the COG, and distinguished Lions all,

The Evaluation Committee still has not been able to meet in person or zoom due to many circumstances.

A survey was sent to the seated DG's with only four returning questionnaires . They have not been sent to the rest of the committee at this time.

Talking with the Executive Secretary we feel that a complete evaluation can be addressed at the Spring meeting of the COG.

Yours in Lions,

PDG Brian Ross

Evaluation Committee Chair
