

NOTICE OF UPCOMING SPECIAL ELECTION!

Instruction Letter #4

Dear Presidents / Secretaries of MD19,

This is the last of four letters you will receive regarding the upcoming Special Election on December 1-3, 2022! Thank you for getting this information out to your club and club delegates.

Here is what you need to do:

If you have not yet received emails from ElectionBuddy, there is still time.

- Check if they are in your email spam or junk folder.
- Contact the MD19 office if you can not find them: 360-733-4911 by phone or md19admin@lionsmd19.org by email.

Please contact each of your club voting delegates and remind them that the voting window opens Thursday, December 1 at 8:00 A.M. and closes Saturday, December 3 at 5:00PM:

- Tell your club delegates to read the ElectionBuddy emails to make sure they understand them and agree to serve as a delegate in the December 1-3 Special Election.
- Direct your club delegates to <https://lionsmd19.org/convention-2022-dg-elections.php#> if they have questions.
- Tell your delegates to log in to the webpage listed in their voting credentials between 8:00 A.M. December 1, 2022 and 5:00 P.M. December 3, 2022 to vote on the Special Election.

Keep a list of the Access Codes and Passwords in case your delegates lose them.

- MD19 Does not know what delegates have been assigned which Access Codes or Passwords so you are the contact point for your club delegates.
- Keep the list confidential

Contact the MD19 office for help if you or any of your club delegates are confused or do not understand what they need to do to vote. A list of persons to call if you are having trouble voting is on the voting website.

Get the results from your District Governor. District Governors will receive the results of the Special Election shortly after the election closes. Results will also be posted online.
